

March 19, 2024 | EECS 348 Project meeting.

Attendees: Jahnvi Maddila, Tej Gumaste, Vamsi Doddapaneni.

Partial Meeting Notes - 2.1

Meeting Purpose - Charting out first steps for calculator project repository

Time - 4:00pm to 5:00pm

Venue - LEEP 1320

→ Jay patel and Shivansh Shrivastava were not available to attend the meeting.

→ Firstly, we discussed that Tej Gumaste will create a shell on our github repository by 22nd March Thursday.

→ We concluded that we will be locally hosting our calculator. Since 2 team members were absent, we decided to have an additional meeting on March 22nd, Thursday in order to discuss task distribution among us.

→ At last, we decided to create a product backlog so that we can have a discussion about that on Thursday.

→ Meeting was adjourned at 4:30pm.
